

RECOVERY

Randomised Evaluation of COVID-19 Therapy

**Are you looking after a patient with COVID-19?
Are they aged 18 years or over?
Have they been admitted?**

Please consider them for the RECOVERY trial.

**(If you suspect COVID-19 and are awaiting laboratory confirmation,
please give the patient the Participant Information Sheet to read.)**

**Once COVID-19 confirmed:
Please discuss trial and obtain informed consent
(using witness or legal representative if required)**

If willing and eligible, RANDOMISE them!

**Online randomisation system available at
