

RECOVERY

Randomised Evaluation of COVID-19 Therapy

**Are you looking after a patient with COVID-19?
Have they been admitted?**

Please consider them for the RECOVERY Trial

(If you suspect COVID-19 or it has been confirmed by a laboratory test,
please make sure the Patient Information Sheet is available for all patients)

Please discuss the trial and obtain informed consent
(using witness or legal representative if required)

If willing and eligible, RANDOMISE them!

Online randomisation system available at
