

Professor Peter Horby, Professor Martin Landray
RECOVERY trial Co-chairs
Nuffield Department of Public Health
Oxford

13th May 2020

Dear Peter and Martin

RECOVERY trial DMC Chairman's report

The DMC reviewed the data that were available by the 12th May on the 9668 patients randomised. We had no concerns and recommend the study continue as planned.

We commend the trial team and research sites for the excellent progress to date with this very important trial. The Committee will next review the data on 28th May

Yours sincerely

Professor Peter Sandercock, MA, DM, FRCPE, FESO, FWSO
Emeritus Professor of Medical Neurology, Centre for Clinical Brain Sciences
Chairman RECOVERY trial DMC
