Section 2: Summary of change(s)

What do you want to update?:	<input checked="" type="radio"/> Project information <input type="radio"/> New site/PI only
------------------------------	--

Please note: Each change being made as part of the amendment must be entered separately. For example, if an amendment to a clinical trial of an investigational medicinal product (CTIMP) involves an update to the Investigator's Brochure (IB), affecting the Reference Safety Information (RSI) and so the information documents to be given to participants, these should be entered into the amendment tool as three separate changes. A list of all possible changes is available on the "Glossary of Changes" tab. To add another change, tick the "Add another change" box.

Change 1				
Area of change (select)*:	Study Documents			
Specific change (select - only available when area of change is selected first)*:	Other significant document change that can be implemented within existing resource in place at participating organisations - Please specify in the free text below			
Further information (free text):	This letter will be copied to their GP as their GP is likely to be responsible for delivering the vaccine. Earlier vaccination would not be dangerous but may not be as effective. This scenario had not been foreseen when these treatments were first added to the protocol but now that vaccination is occurring we need to rapidly inform participants who were recruited in the last 90 days. Participants entering this comparison now receive the PIS/ICF approved in SA13 which provides this information. We have asked sites to send this information and seek approval for this safety measure.			
Applicability:	England	Wales	Scotland	Northern Ireland
Where are the participating NHS/HSC organisations located that will be affected by this change?*	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>
Will all participating NHS/HSC organisations be affected by this change, or only some?:	<input checked="" type="radio"/> All		<input type="radio"/> Some	
Add another change: <input type="checkbox"/>
