- Email documents to the REC that originally reviewed the study. The REC will review the amendments and categorise it. If necessary, they will transfer the amendments internally to HRA for them to review as well.
 - If the amendments does not require HRA review, the REC will state this in their categorisation letter.

- Copy in CTRG generic email address (ctrhg@admin.ox.ac.uk) so the sponsor has final documents and is included in subsequent correspondence

Please make your MHRA submission, through the [Common European Submission Platform \(CESP\)](#).

Please send a copy of the approval letters to the CTRG generic email address (ctrhg@admin.ox.ac.uk) once you have received them. Please do not implement your amendments until all approvals are in place.
